

# RHODE ISLAND

SINGLE-FAMILY HOMES

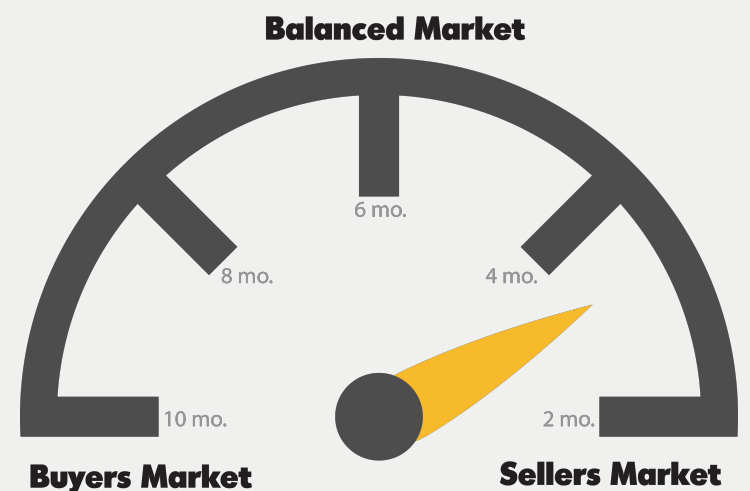

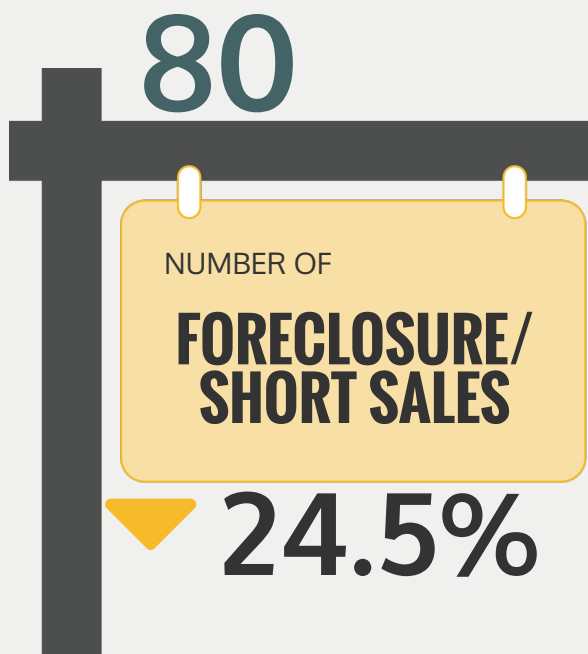

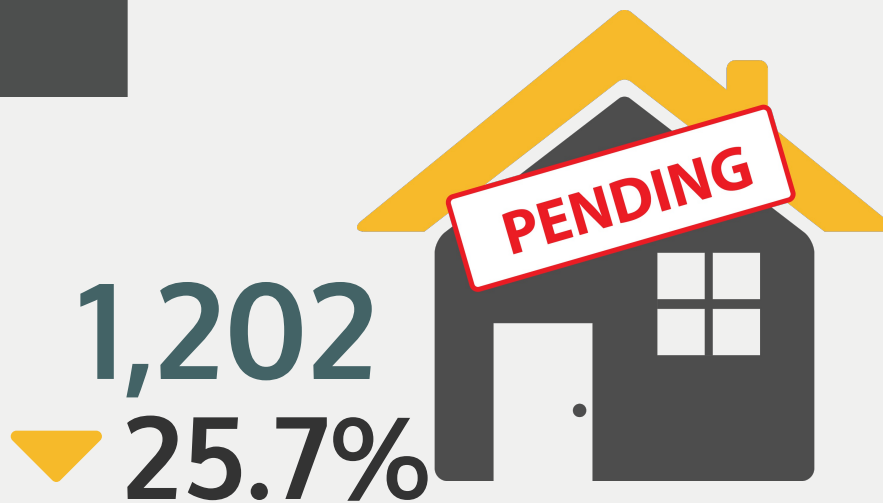

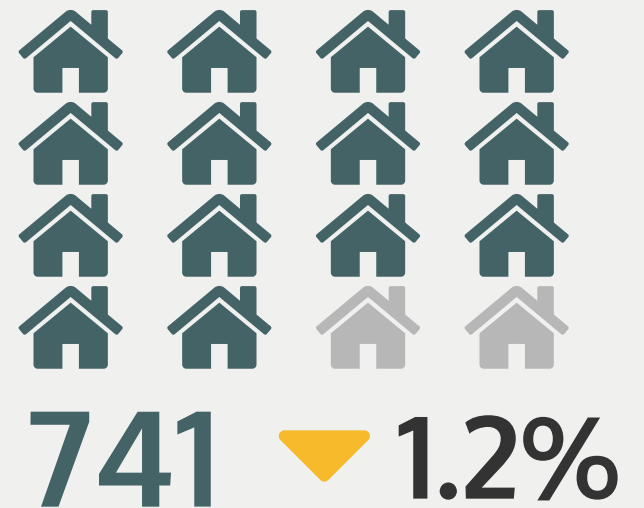

# 2017 March Housing Statistics

Single-family home sales showed little movement in March from the prior year, though sales under contract but not yet sold dropped significantly, most likely a result of diminishing inventory.

## SINGLE-FAMILY HOMES SOLD

Percent change reflects a year-over-year comparison between 2016 and 2017. Information is provided by State-Wide MLS, Inc., a subsidiary of the Rhode Island Association of REALTORS®.
