# 2015 September Housing Statistics

## Activity and price continued to climb in September's Single Family Home Market

Realtor-assisted single family home sales rose by nearly 10 percent in September and the median sales price of those properties increased almost 12 percent from September, 2014. The rise in year-over-year median price signifies the greatest gain since October, 2014 according to the Rhode Island Association of Realtors.

### SINGLE FAMILY HOMES SOLD

**5.4** MONTH SUPPLY

**INVENTORY**

AS OF 9/16/15

Percent change reflects a year-over-year comparison between September 2014 and September 2015. Information is provided by State-Wide MLS, Inc. A six-month supply of inventory is typically considered to be an indication of a market balanced between seller supply and buyer demand.
