Rhode Island's Luxury Market

Second Quarter 2021

OUT-OF-STATE BUYERS

Rhode Island Property Sales of \$1 million+

Out-of-state home buyers flock to R.I. in second quarter

Buyers from other states accounted for 26 percent of the total sales in the second quarter of this year, up from 21 percent in 2020. Their presence was even more pronounced in the luxury market, comprised of properties sold for one million dollars or more. Forty-seven percent of those sales were credited to buyers from outside of Rhode Island.
