Information is provided by State-Wide Multiple Listing Service, Inc. Readers are cautioned that the median sales price --- with half the prices higher and half lower --- is not a measure of appreciation/depreciation in individual home values. Also, please note: Statewide data may vary marginally from town-by-town data as the latter continues to be updated with later closing transactions after the statewide data is pulled. This information is deemed reliable but not guaranteed. Note: As of 9/1/2021 East Side of Providence was removed from the city list.
